The most prestigious space of the "PGE Narodowy" stadium. It offers excellent conditions to organizer of galas and banquets. It enables setting up as many as two stages at the same time, holding conferences with an exhibition part and a catering part, and installing trade fair arrangements. The view of the stadium field with access to the promenade and the VIP tribune, the high finishing standard and the spacious foyer in front of the entrance are the greatest strengths of the Business Club. This space is also connected to the media center which is located on the floor below and can be used as a catering zone or a trade fair area.
